

Kingfa Sci. & Tech. Co. Ltd.

Guangzhou, Guangdong
China

Shanghai Kingfa Dev. Co. Ltd.

Shanghai, China

Mianyang Changxin Dev. Co. Ltd.

Mianyang, SiChun, China

Kingfa Technology, Inc.

Toronto, Ontario
Canada

We compound the world!

Global Operations

Sales Offices:

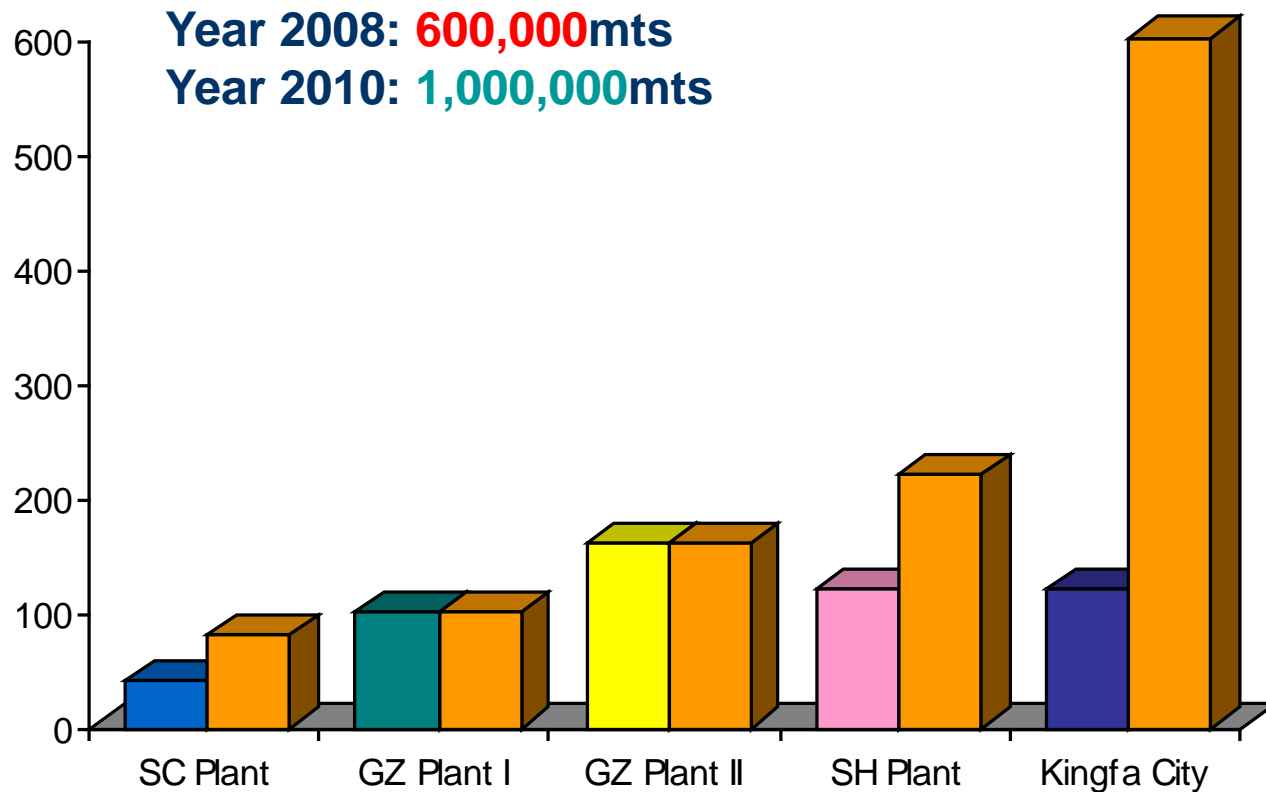

- **Kingfa China (15 sales offices)**
- **Kingfa U.S.A**
- **Kingfa Canada**
- **Kingfa Japan**
- **Kingfa Russia**
- **Kingfa Malaysia**
- **Kingfa Turkey**
- **Kingfa Vietnam**

Facilities:

- **5 Manufacturing Facilities in China, 600,000mts**

1 million-ton production capacity (2008 vs 2010)

Manufacturing Facilities

Facility I, Guangzhou, China

Facility II, Guangzhou, China

Facility III, Shanghai, China

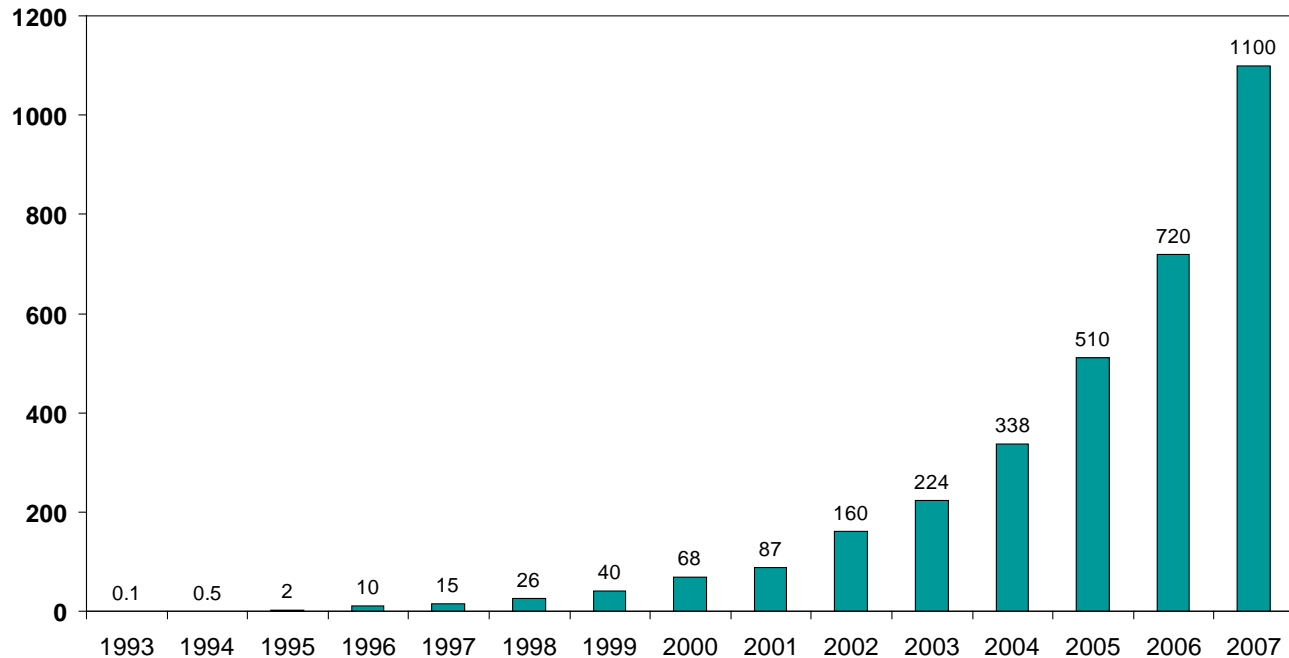

- ***High Efficient Production Lines***
- ***World Recognized Production Process***
- ***ERP Systems for Resources & Logistics***

Sales Performance

1.1 billion US Dollars Gross Revenue in Year 2007
3.5 Billion USD Stock Value on December 30th, 2007

Green Enterprise

- **ISO-14001 Certified**
- **Sony Green Partner**
- **OHSAS 18001 Certified**

We build the garden, then the factory.

Powerful R & D

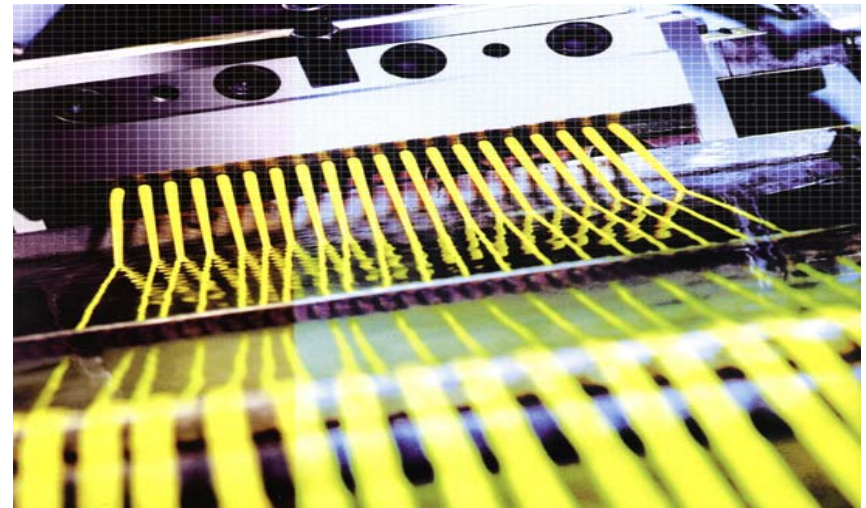

- *Over 150 Engineers on Staff, 52 PhDs*
- *In-house R & D Center and Laboratory*
- *Universities as Research Partner*

Quality Control

ISO-9001:2000 & TS16949:2002 Certified

- **Strict Processing Control**
- **State-of-the-Art Equipment**
- **100% Quality Guarantee**

Product Family

Flame-retardant Resins

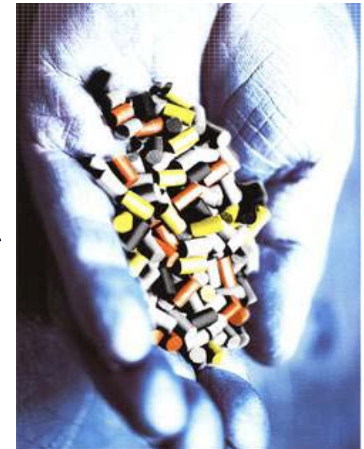

Reinforced and Toughened Resins

Plastics Alloy

MasterBatch

BioPlastics

Recycled resins

Modified Resins include:

PBT, PET, NYLON, PC, PP, HIPS,
ABS, AS, AES, PPO/PPE,
PVC, TPO, TPE, PC/ABS, PC/PS,
PC/PBT, PC/PET, ABS/PBT, PVC/ABS,
PPE/PS, PPE/PA,
Other customized resins & alloys

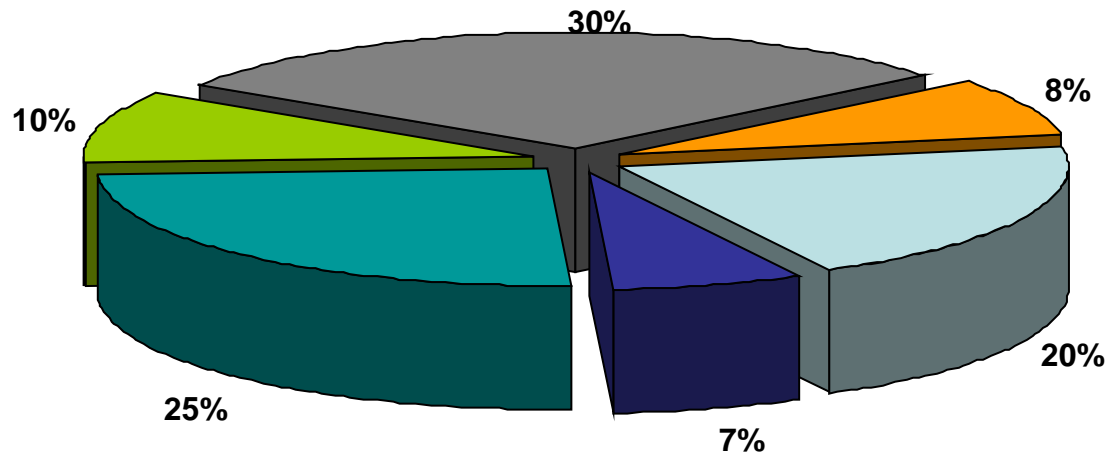

over 3000 grades

Industries & Customers

- Automotive
- E & E
- Appliances & Equipment
- Power Tools
- IT & Telecommunications
- Others

Serve customers from various industries!

Applications

Automobiles

Home Appliances

Office Equipment

E & E Parts

IT & Telecom.

Constructions & Furniture

Automobile

TPO, Thermoplastics Olefin

TEO, Thermoplastic Elastomeric Olefin

Nylon 6/66, glass & mineral filled

PBT, PET, glass & mineral filled

ABS, high temperature

***PC/ABS, PC/PBT, PC/PET and
ABS/PBT***

PPE/PS, PPE/PA alloy

Power Tools

PA6, PA66, glass filled
Polycarbonate (PC), glass filled

PC/ABS, ABS, flame retardant
Polypropylene (PP), glass filled

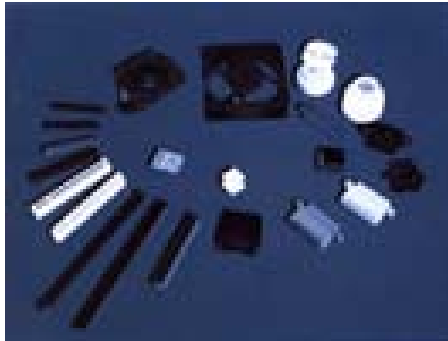

PA/PP, glass filled
TPE, for overmolding

Electrical & Electronic Components

PBT, glass filled, flame retardant

PET, glass filled, flame retardant

PA6, PA66, glass filled, flame retardant

PBT, PA6, PA66, toughened

Polycarbonate (PC), glass filled, flame retardant

PC/ABS, PC/PBT, PC/PET

PPE, glass filled, flame retardant

Connector, Bobbin, Relay, Socket, Switch, Terminal Block, Fan, etc...

Household and Office Appliances

HIPS, filled and flame retardant

ABS, filled and flame retardant

PP, filled and flame retardant

PC, filled and flame retardant

PPE, filled and flame retardant

PC/ABS, PC/PBT, PC/PET, ABS/PBT

Summary

- 80%** of TV housing (China) is from Kingfa, over **50%** worldwide
- ◆ **60%** of Power Tools housing (China) is from Kingfa, over **50%** worldwide
- ◆ **40%** of Air-conditioner housing (China) is from Kingfa
- ◆ Philips, Sanyo, Sharp, Sony, Bosch, Siemens, Ford, GM, TCL, Gree, Changhong, Konka, Haier are Kingfa's long-term business partners

Product Information

HIPS	flame retardant, DECA, non-DECA and halogen-free
ABS	flame retardant, DECA, non-DECA and halogen-free (V2) glass reinforced and high heat modified
PC and Alloy	FR and / or glass reinforced PC PC/ABS - halogen-free and / or glass reinforced PC/PBT, PC/PET, PC/PS and etc.
PP	flame retardant, DECA, non-DECA and halogen-free modified PP for home appliance, automotive glass reinforced PP and long glass reinforced PP
PA 6 & PA66	FR and /or glass and / or mineral reinforced, high heat PA10T
PBT & PET	FR and / or glass reinforced
PPE and Alloy	FR and / or glass reinforced; PPE/PS, PPE/PA, PPE/PP
PPS	FR and / or glass & mineral reinforced
PVC and Alloy	modified PVC, PVC/ABS
BioPlastics	modified PLA and PSB, and PLA/PSB alloy
